Re: Singh v. Air India and Swissport USA, Inc., 10-CV-6532 (RMB)

Dear Judge Berman:

We represent defendant Air India in the above-referenced action and write in response to the Court's Order dated February 22, 2011. To date, the parties have responded to all other parties' document demands. Plaintiff has produced responsive documents to Air India and Swissport has produced documents to Air India (although in our view Swissport's production is not complete). Air India will be producing documents by the end of this week per agreement among counsel. Air India responded to plaintiff's Interrogatories, although plaintiff is late in responding to a set of interrogatories from Air India. As noted in our earlier letter, we have been unable to obtain medical records from two out of three medical providers identified by plaintiff.

We trust this satisfactorily responds to the Court's concerns.
